

What families are saying...

“The staff is so incredible. Everyone is so warm and loving. It’s not often you find a place where everyone is so genuine and concerned about the children. I love the individual conversations I have with the staff. They are never hurried and always have a story to tell about the day. It would be hard for a child not to thrive in such an environment. I would recommend Building Blocks to anyone!” - V.L.

“The learning stories are the highlight of my day. It can be hard to be a working parent, and there are days when I want to quit and just be a Mommy, but the Learning Stories allow me to see my kids and know that they are learning and getting positive experiences everyday, which makes it a lot easier. I know how much work they must be, but they are very much appreciated! Also, I send them everyday to my parents and my grandparents who all live in Pennsylvania, so it also allows them to see the kids and they love getting them.” - M.S.

“I appreciate all of the staff’s hard work and caring attitude. It is so wonderful knowing my children are healthy, happy, and engaged while in your care! Everyone does a fantastic job. Thank you so very, very much.”

- S.B.

“We truly appreciate everything Building Blocks has done during our child’s first months in care. Although it has been so hard to be away from him seeing his smiling face in the pictures they send makes it a bit easier. We couldn’t be happier with our choice of child care for our child. The entire staff is so loving and caring and so good to him. We can’t thank you enough!”

- R.O.

“The time that my son spent at Building Blocks was such a wonderful time. Not only was the staff amazing but my son learned so much from the entire curriculum that was presented at the school. I knew that when it was time for him to start Kindergarten he was going to be ready because of everything he experienced. Their interest and caring of their students is out of this world. They not only care and show interest in the children while in school but after school as well. This is shown with all of the family activities they have through out the year. I was so impressed with everything that occurred while son attend Building Blocks, and I look forward to him going back for summer camp in the future.”

- S.S.

“Outstanding communication between all caregivers, teachers, director, owner, and families. We really appreciate this!”

- J.B.

“Thank you for filling our children’s day with songs, stories, music, laughter, art, imagination and for letting them learn through play! The extra TLC each day. We appreciate your kindness, tenderness, and genuine care you have for all children at Building Blocks. It is so comforting to know that they are cuddled, hugged, rocked, held and loved when we cannot be with them. Building Blocks is a blessing.”
- J.B.

“We love how patient the staff is and how they turn a child’s misbehavior into a learning experience.”
- M.P.

“We could not have asked for better experience to establish our child’s love of school and learning. Our child’s emotional and educational needs were met. Her pre-literacy skills have exploded. She successfully works and cooperates in group settings. The creativity is just amazing. My family was so impressed with the daily newsletters. All staff even those not working directly with my child were always friendly and welcoming. We are beyond grateful to the entire Building Blocks family”
- M.C.

“We’re very happy with the Reggio Emilia Approach used in teaching. Nothing was forced. Fun learning environment. This year was a great start to my child’s education. We loved all of the outdoors time.”
- M.S.

“I’m very satisfied and my child loves being at Building Blocks Preschool. She has learned so much and we could not be happier. Her vocabulary and social skills have really advanced. She has learned so much and is excited to go to school to learn and play with her friends.”
- K.H.

“The teachers and people who make Building Blocks possible are wonderful. Thank you so much for making my child’s preschool experience so wonderful. I have enjoyed Building Blocks as much as my child has. He looked forward to coming to school all week long. Building Blocks is such a great place for kids to learn and grow. I will recommend this preschool to everyone I know. Building Blocks is a blessing.”
- S.G.

“We are delighted with the program at Building Blocks Preschool. It is so wonderful to be a part of such a strong learning community. Our child was always made to feel right at home and welcomed into by everyone. Our son did more than improve socially, emotionally and educationally - he thrived. There are plenty of opportunities to volunteer and I also felt like I was welcome at anytime. Our child’s teacher has given our family such hope, confidence, and endless knowledge about our son. We are so grateful to have had her in our life.”
- J.H.

“I am amazed at how well the kids have transitioned from their pervious center. I owe a huge thanks to everyone at Building Blocks. You have all made this much easier than I could have imagined.”
- M.R.
