- ◆ Creative Arts
- ◆ Gardening
- ◆ Weekly Field Trips
- ◆ Environmental Education
- ◆ Performing Arts
- ◆ Water Fun Days

Summer Campers at Building Blocks will create visual art projects exploring a variety of materials and techniques: Creative Art, Drawing, Painting, Photography, Pottery, Printmaking, 3D Art, Woodworking, etc.

Time spent at the Highland State Recreation Area surrounding the school provides children with unstructured play and interaction within their natural environment. Children will enjoy weekly field trips to local county, state and metro parks for a variety of eco-adventures and environmental education programs.

Summer Campers are provided with a cooperative environment where children learn together, make choices together, and grow together as friends. It is these traditional camp elements that we emphasize and integrate with our high quality programming that ensures that the Building Blocks Creative Art and Nature Day campers will have a well rounded camp experience that builds memories for a lifetime.
