Children will also be heading out on daily adventures surrounding our school Highland Rec., Dodge 10, Huron Valley Council of the Arts, and other local hot spots in our community. We provides children with unstructured play and interaction within their natural environment. Children will enjoy weekly field trips to Highland Recreation area on Thursdays. Parents drop off and pick up from Teeple Lake. Children enjoy eco-adventures and environmental education.

Summer Campers are provided with a cooperative environment where children learn together, make choices together, and grow together as friends. It is these traditional camp elements that we emphasize and integrate with our high quality programming that ensures that the Building Blocks Creative Art and Nature Day campers will have a well rounded camp experience that builds memories for a lifetime.
